ARTICLE IV HOMEOWNER'S ASSOCIATION

Section 1. Form of Association. After the Transition Date, the Owners of Lots within the Properties shall constitute the members of the homeowners association a Washington nonprofit corporation to be formed by Developer on or before the Transition Date. The rights and duties of the members and of the Association shall continue to be governed by the provisions of this Declaration, and the Association's Articles of Incorporation and Bylaws.

Section 2 Board of Directors. The affairs of the Association shall be governed by a Board of Directors (the "Board"). The Developer shall constitute the initial Board and Architectural Control Committee and shall serve until the Transition Date. After the Transition Date, the Board shall consist of such numbers of members as provided for in the Articles of Incorporation and Bylaws of the Association. Subject to any specific requirements hereof, the Board shall have authority to establish operating rules and procedures. In the event of death or resignation of any member of members of the Board, the remaining member or members, if any, shall have full authority to appoint a successor member or members. Members of the Board shall not be entitled to any compensation for

services performed as Directors pursuant to this Declaration. Upon the Transition Date and without further action by any person or persons, (i) the term of the initial Directors or their successors shall end, and (ii) the initial Directors and their then successors shall be released from any and all liability whatsoever for claims arising out of or in connection with this Declaration, excepting only claims arising prior to the Transition Date.

Section 3 Qualification for Membership. Each owner of all or a portion of the fee interest in a Lot (including Developer) shall be a member of the Association. The persons constituting an Owner shall be entitled to one vote for each Lot owned; provided, that if a Lot has been sold on contract, the contract purchaser shall exercise the rights of an Owner for purposes of the Association and this Declaration except as hereinafter limited, and shall be the voting representative unless otherwise specified. Ownership of a Lot shall be the sole qualification for membership in the Association.

Section 4 Transfer of Membership. The Association membership of each person constituting an Owner (including Developer) shall be appurtenant to the Lot giving rise to such membership, and, except as specifically permitted herein, shall not be assigned, transferred, pledged, hypothecated, conveyed, or alienated in any way except upon the transfer of title to the Lot and then only to the transferee of title to the Lot. Any attempt to make a prohibited transfer shall be void. Any transfer of title to a Lot shall operate automatically to transfer the membership in the Association to the persons constituting the new Owner.

Section 5 Number of Votes. The total voting power of the Association at any given time shall equal the number of Lots included within the Property at that time. Each Owner of a Lot or Lots (including Developer) shall be entitled to one vote for each Lot owned.

Section 6 Voting. If a Lot is owned by more than one person and only one of them is present or represented at a meeting, the one who is present or represented will represent the Owner. The vote for a Lot must be cast as a single vote, and fractional votes shall not be allowed. If joint owners are unable to agree among themselves how their vote shall be cast, they shall lose their right to vote on the matter in question. An Owner may, by written notice to the Board, designate a voting representative for the Lot. The designated voting representative need not be an Owner. The designation may be revoked at any time by written

notice to the Board from a person with an ownership interest in the Lot, except in cases in which the Person designated is a Mortgagee of the Lot. This power of designation and revocation may be exercised by the guardian of an Owner, the attorney-in-fact for the Owner under a durable power of attorney, and the administrator or executor of an Owner's estate. If no designation has been made, or if a designation has been revoked and no new designation has been made, the voting representative of each Lot shall be the group composed of all of its Owners.

Section 7 Pledged Votes. An Owner may, but shall not be obligated to, pledge his vote on all issues or on certain specific issues to a Mortgagee; provided, however, that if an Owner is in default under a Mortgage on his Lot for 90 consecutive days or more, the Owner's Mortgagee shall automatically be authorized to declare at any time thereafter that the Owner has pledged his vote to the Mortgagee on all issues arising after such declaration and during the continuance of the default. If the Board has been notified of any such pledge to a Mortgagee, only the vote of the Mortgagee will be recognized on the issues that are subject to the pledge.

Section 8 Annual and Special Meetings. Within the period commencing 30 days before the Transition Date and ending 30 days after the Transition Date, there shall be a meeting of the members of the Association and thereafter there shall be an annual meeting of the members of the Association in the first quarter of each fiscal year at such reasonable place and time as may be designated by written notice from the Board delivered to the Owners no less than 30 days before the meeting. At the first such meeting, and at each annual meeting thereafter, the Owners shall elect by majority vote individuals to serve as Directors until a successor is elected at the next annual meeting. Each Lot shall be entitled to one vote for each Director and the voting for Directors shall be non-cumulative. The financial statement for the preceding fiscal year (if any) and the budget the Board has adopted for the pending fiscal year shall be presented at the annual meeting for the information of the members. Special meetings of the members of the Association may be called at any time upon not less than 14 days prior written notice to all Owners, for the purpose of considering matters which require the approval of all or some of the Owners, or for any other reasonable purpose. Any First Mortgagee of a Lot may attend or designate a representative to attend the meetings of the Association.

Section 9 Books and Records. The Board shall cause to be kept

complete, detailed, and accurate books and records of the receipts and expenditures (if any) of the Association, in a form that complies with generally accepted accounting principles. The books and records, authorizations for payment of expenditures, and all contracts, documents papers, and other records of the Association shall be available for examination by the Lot Owners, Mortgagees, and the agents or attorneys of either of them, during normal business hours and at any other reasonable time or times.

Section 10 Transition Date. The "Transition Date" shall be the date control of the Board passes from the initial Board to the Association. Prior to the Transition Date, Developer shall be entitled to exercise all rights and powers of the Board and the Association. At Developer's option, the Transition Date will be either: (i) the date designated by Developer in a written notice to the Owners, which date may be by Developer's election any date after this Declaration has been recorded; or (ii) the 120th day after Developer has transferred title to purchasers title to all Lots in the Property. For purposes of the foregoing clause (ii) transfer of title to a Lot by Developer to any Participating Builder shall be disregarded and title to any Lot owned by participating Builder shall not be deemed transferred for purposes of determining the Transition Date until the Lot is further transferred by Participating Builder to a purchaser who is not either a Participating Builder or Developer.

Section 11 Authority of the Board. The Board is empowered to adopt, amend, and revoke on behalf of the Association detailed administrative rules and regulations necessary or convenient from time to time to insure compliance with the general guidelines of this Declaration to promote the comfortable use and enjoyment of the Property and to govern the operation and procedures of the Association. The rules and resolutions may, without limitation, authorize voting by proxy or mail, or both, on Association matters. The rules and regulations of the Association shall be binding upon all Owners and occupants and all other Persons claiming any interest in the Property.

ARTICLE V ARCHITECTURAL CONTROL COMMITTEE

No building, fence, wall or other structure shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature,

kind, shape, height, materials, and location of the same have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Developer, or after the Transition Date, the Board of Directors of the Association, or by an Architectural Control Committee composed of three (3) or more representatives appointed by the Board.

After the Transition Date, the Architectural Control Committee shall have the primary responsibility of interpreting and enforcing the rules and regulations of building and improvements subject to the procedures hereinafter set forth. The Architectural Control Committee shall adopt such reasonable and uniform rules of architectural control as the Board of Directors may prescribe, including, but not necessarily limited to the following:

(a) No outbuilding or structure of any kind may be built on a platted residential lot before construction of a permanent residence.

(b) No construction of a dwelling may be started on a platted residential lot without first obtaining:

i. Written approval from the Board of Directors of the Association or the Architectural Control Committee designated by it pursuant to Article IV of these covenants.

ii. Each single family residence on a platted residential lot shall contain a minimum floor area of 1400 square feet if a one story residence, and 1650 square feet if more than a one story residence, exclusive of open decks (covered or uncovered) garages, covered carports, sheds or outbuildings.

iii. Garages on platted residential lots may not be detached from the main dwelling structure. Replacement of roof shall be compatible with existing roof style and color, or as otherwise approved by Architectural Control Committee.

A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the

then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

The committee's approval or disapproval as required in these covenants shall be in writing. The Board of Directors of the Association or the Architectural Control Committee designated by it shall determine whether any given use of a platted residential lot unreasonably interferes with an abutting owners use of his property, and such determination shall be conclusive. In the event the committee, or its designated representative, fails to approve within forty-five (45) days after plans and specifications have been submitted, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with. Approval by the Architectural Control Committee does not constitute authorization to proceed with any activities that may require conformance with City of West Richland procedures and regulations.

ARTICLE VI

Use and Maintenance of Landscaped Easements

Section 1. Responsibility for Common Maintenance Areas. There exist certain landscaped areas within the plats of The Properties that are herein described as Common Maintenance Areas and are designated for landscaping and community identification purposes. The Association shall be responsible for the maintenance of the Common Maintenance Areas including those which lie within right of way dedicated to municipal authorities.

Section 2. Member's Easements of Enjoyment. Subject to the provisions of Section 3 below, every member shall have a right and easement of enjoyment in and to the Common Maintenance Areas and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the rights of municipal authorities.

Section 3. Extent of Members' Rights on Common Maintenance Areas. The rights of enjoyment created hereby shall be subject to the following:

(a) The right of the Developer and of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the

Common Maintenance Areas.

(b) The right of the Association, as provided in its Articles and Bylaws, to suspend the enjoyment rights of any Member for any period during which any assessment remains unpaid, and for any period not to exceed sixty (60) days for any infraction of its published rules and regulations:

(c) The right of the Association to donate all operating and capital surpluses in excess of anticipated maintenance, replacement and capital improvement requirements to qualified public and private charitable uses.

(d) The right of the municipal authorities to regulate use within the right of way.

ARTICLE VII

Covenant for Maintenance Assessments

Section 1. Creation of the Lien and personal Obligation of Assessments.

The Developer and the co-declarant Participating Builder for each Lot owned by it within The Properties hereby covenant and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and cost of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in The Properties and in particular for the improvement and the maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Maintenance Areas and of the homes situated upon The Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement, and

additions thereto, and for the cost of labor, equipment, materials, management, and supervision thereof.

Section 3. Basis and Maximum of Annual Assessments. The initial annual assessment shall be \$90.00 per year per Lot from and after January 1, 1995, or the Transition Date, whichever is later. The annual assessment may be increased by vote of the Members, as hereinafter provided, for the next succeeding three (3) years and at the end of each such period of three (3) years for each succeeding period of three (3) years.

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 above, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation and under Article II, Section 2 (a) hereof.

Section 6. Quorum For Any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Section 4 and Section 5 hereof, the presence at the meeting of Members or of proxies entitled to cast fifty (50) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The due date for annual assessments provided for herein shall commence on January 1, 1995, or the Transition Date, whichever is later.

The assessments for any year, after the first year, shall become due and payable on the first day of January of said year.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Director. After the Transition Date, the Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept on the office of the Association and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent to every Owner subject thereto.

The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing assigned by an office of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. The cost of preparing such a statement may be charged to the Owner requesting it.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; The Lien; Remedies of Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 thereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisee, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of ten (10) percent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action, and in the event a judgement is obtained, such judgement shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court together with the cost of the action.

The Association shall have the right to suspend the voting rights of an owner for any period during which any assessment against his lot remains unpaid; and for a period not to exceed 60 days for any infraction of its published rules and regulations.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for here in shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceedings in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

ARTICLE VIII
General Provisions

Section 1. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall insure to the benefit of and be enforceable by the Association, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, unless an instrument signed by the then Owners of two-third (2/3) of the Lots has been recorded, agreeing to change said covenants and restrictions in whole or in part; provided, however, that no such agreement to change shall be effective unless written notice of the proposed agreement is sent to every Owner at least ninety (90) days in advance of any action taken.

Section 2. Notices. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 3. Enforcement. Enforcement of these covenants and restrictions shall be any proceeding at Law or inequity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages, and against the land to enforce any lien created by these covenants; and failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. Severability. Invalidation of any one of these covenants or restrictions by judgement or Court Order shall in no way affect any other provisions which shall remain in full force and effect.

Section 5. Authority. Each individual executing this Agreement on behalf of a corporation represents and warrants that he is duly authorized to execute and deliver this Agreement on behalf of said corporation in accordance with a duly adopted resolution of the Board of Directors of said corporation or in accordance with the By-Laws of said corporation, and that this Agreement is binding upon said corporation in accordance with its terms.
