KNOW ALL MEN BY THESE PRESENTS: That the undersigned, being the owners of all the land and lots in Stadium Park Addition, a subdivision within the corporate limits of the City of Pasco, County of Franklin, and State of Washington, the plat of which is recorded in the office of the county auditor of said county under auditor's file No. 146455, do hereby declare that the following restrictions and covenants shall be restrictions and covenants running with the land and shall be binding on all parties and all persons claiming under them until January 1st, 1977, at which time said restrictions and covenants shall automatically extend for successive periods of ten years, unless by a vote of the majority of the then owners of the lots it is agreed to change such restrictions and covenants in whole or in part.

If the parties hereto, or any of them, or their heirs, successors, or assigns shall violate any of the covenants or restrictions herein contained, it shall be lawful for any other person or persons owning real property situated in said development or subdivision to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenants, and either to prevent him or them from so doing, or to recover damages resulting from said violation.

Invalidation of any of these covenants by judgment, court order, legislative enactment, or otherwise shall in no wise affect any of the other provisions which shall remain in full force and effect.

1. The restrictions and covenants herein contained shall not be applicable to the properties in block 10 of Stadium Park Addition, but shall apply to all other lots therein contained with the exceptions hereinafter specifically noted.

2. All lots in Stadium Park Addition shall be known and described as residential lots with the exception of lots 6, 7 and 8, block 15, and lots 1, 2 and 3, block 8, which may be used for church purposes.

and church construction. With that exception, no structure shall be erected, altered, placed, or permitted to remain on any residential lot other than one detached, single-family dwelling or duplex dwelling not to exceed two stories in height, and a private garage of not more than three car capacity, except lots 1 to 8, block 1, on which apartments not over two stories may be placed.

3. No building shall be erected, placed, or altered on any lot in this subdivision until the external design and location thereof have been approved by the planning commission or building inspector of the City of Pasco. All plans, setbacks and building designs shall be in strict conformance to the protective covenants and restrictions listed herein, and the building along each street shall be so designed as to conform in height and general appearance with other buildings on such street already erected.

4. No building on any residential lot shall be located nearer than 25 feet to the front lot line and 5 feet to the side lot lines, with the exception of a detached garage which may be located not less than 60 feet from the front lot line nor less than 5 feet from any flanking street line and excepting that garages attached to or within the dwelling will be permitted regardless of this restriction. No building will be permitted to encroach on any utility easement provided for in said plat, where such utility easements exist.

5. No residential structure shall be erected or placed on any building plot, nor allowed to remain thereon, which plot has an area less than 6000 square feet, nor on any lot having less than 60 feet of frontage, excepting that nothing contained in this restriction shall prevent erection of a residence on any lot as platted regardless of the frontage of said lot.

6. No noxious trade or activity shall be carried on upon any lot nor shall anything be done thereon which may be or become any annoyance or nuisance to the neighborhood.

7. No trailer, basement, tent, shack, garage, barn, or other outbuilding erected in the addition shall be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

8. Any dwelling or structure erected or placed on any lot in this subdivision shall be completed as to external appearance, including finish painting, within one year from the date of the commencement of construction.

9. No dwelling with a total ^{ground} floor area less than 12% of the lot area on which it is located, exclusive of garage, shall be permitted on any lot in the subdivision.
