12. No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in clean and sanitary condition.
13. No individual water supply or sewage disposal system shall be permitted on any lot.
14. 17. Invalidation of any one of these Covenants by judgement or court shall in no wise affect any of the other provisions which shall remain in full force and effect.
18. These Covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty years from the date these Covenants are recorded, after which time said Covenants shall be automatically extended for successive periods of 10 years.
