Mailbox Cluster Unit Cost and Maintenance

High quality mailbox clusters were purchased by the Inspiration Estates Homeowners Association and will be installed at locations specified by the Post Office. The placement is determined by the Post Office concerning routing of their vehicles, which means your mailbox may not be in the cluster closest to your house.

Home and lot owners will be responsible for cost and upkeep of said mailbox units. The Post Office assigns mailboxes. At the time of occupancy, contact the Post Office for instruction on how to set up your service. The Post Office suggests that homeowner's make extra copies of their mailbox keys to avoid the cost of a locksmith if the key is lost. In addition, homeowner's are responsible at the sale of their home, that the new homeowner's receive a key for the mailbox.

Since all mailboxes are required by the Post Office to be in a cluster box form, the residents of the community will be responsible for working together to ensure that mailboxes are kept in working fashion. If damage occurs to a mailbox or cluster unit in any way, for any reason, the developer will not be responsible for repairs to or replacement of the unit(s). The Post Office will take responsibility for the parcel boxes only. They will not repair damages to individual boxes.

We apologize for any inconvenience this may cause you. Please take up any issues regarding the maintenance of mailboxes or requirement of cluster box units and their locations with the local Post Office. (509) 543-2189

Cost to homeowner's for mailboxes, in the amount of \$85.00, is due upon closing. Keys for mailboxes may not be available at that time depending on the status of phase development. When keys become available, Inspiration Estates Homeowners Association will contact the phone number listed for the buyer on the Purchase and Sale Agreement. If no number is listed, homeowner's will be responsible for contacting Jan Crawford at 509-586-1155 ext. 226, to receive their key.
